Dear Mr ██████████

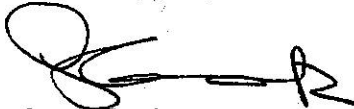

FAA A&P Support Letter

We acknowledge receipt of your request dated 21 March 2010.

We can confirm that we have documentary evidence of at least 5 years relevant experience for the grant of an aircraft maintenance licence in 2004 and that since then you have met the requirements of Part-66.B.120 to renew the licence; we also confirm that the licence is current.

We trust that the information above is of assistance to you in obtaining an FAA A&P Certificate.

Yours sincerely

Janet Cook
Licensing Technical Support Officer
